

Press Release 2nd January 2018 (For Immediate Release)

CYRUS INNOVATIONS PTE LTD APPOINTED AS MILESTONE SYSTEMS DISTRIBUTOR FOR SINGAPORE REGION

Singapore, 2nd January 2018 , Milestone Systems, the market leading provider of open platform networked video management software (VMS) of video management systems has today announced an exciting new partnership with the highly regarded and well renowned Singapore distributor Cyrus Innovations Pte Ltd. The agreement involves the distribution of Milestone Systems highly innovative, video management systems offerings in the Xprotect and Husky range and will strengthen Milestone System's channel for 2018 with a dedicated video analytics and surveillance, artificial intelligence technology value added distributor.

Ranked No.1 Global VMS Provider in the 2018 IHS Markit Market Research Report. Milestone Systems holds the number one spot in Europe/Middle East/Africa (EMEA) and APAC with a market share 14.8% in APAC.

With every device being a sensor, and technologies connecting them in new ways, the amount of data keeps growing. This requires more efficient ways to translate data into intelligence for taking faster decisions both for making the world a safer place, and for moving beyond security into many improvements for video business systems.

Commenting on the appointment, Thomas Yip, General Manager of Cyrus Innovations Pte Ltd said "We are delighted to be partnering with Milestone Systems for the distribution of the innovative Xprotect range of VMS products, our credentials as a Milestone certified integration technician and design engineer coupled with our expertise in video intelligence, analytics and AI will help support Milestone's quest for bringing added even more value to systems integrators and end users"
